Conditions of refund by the seller

Refund period

If you withdraw the purchase, Artprice.com will refund all the sums paid, including shipping costs (but not those for returning the item). Artprice.com will make the refund **no later than 14 days** after the date on which it was informed of your decision to withdraw.

However, with contracts for the sale of goods, Artprice.com will delay the refund until it has received the goods, or until you have provided proof that the goods for which purchase has been withdrawn have been shipped back.

Refund methods

Artprice.com will refund you using the same payment method used for your purchase. However, Artprice may use another method of payment, with your agreement and at no further expense to yourself.

Artprice will not refund any additional costs if you chose a more expensive delivery method than the standard delivery method proposed by the company.
